Executive Order G-99-004

WHEREAS, on September 24, 1998, the Air Resources Board (the Board or ARB) conducted a hearing to consider amendments to the Gasoline Deposit Control Additive Regulation, section 2257, title 13, California Code of Regulations (CCR);

WHEREAS, following the public hearing, the Board adopted Resolution 98-46, by which the Board approved the regulatory amendments set forth in Attachment A and Attachment B thereto, which included staff's proposed modifications to the regulatory text set forth in Appendix A and Appendix D to the Staff Report (released August 7, 1998);

WHEREAS, Attachment A to Resolution 98-46 contains the staff's modified amendments to section 2257 of title 13, CCR,

WHEREAS, Attachment B to Resolution 98-46 contains and ARB's Test Method for Evaluating Intake Valve and Combustion Chamber Deposits in Vehicle Engines," as originally proposed by staff in Appendix D to the Staff Report;

WHEREAS, Resolution 98-46 directed the Executive Officer to incorporate into the approved amendments the modifications described in Attachment A thereto, with such other conforming modifications as may be appropriate, to make the modified regulatory language available to the public for a supplemental 15-day comment period, and thereafter either to adopt the approved amendments with such additional modifications as may be appropriate in light of supplemental comments received, or to present the amendments to the Board for further consideration if warranted in light of supplemental written comments received;

WHEREAS, the Board-approved modifications to the originally proposed text were made available for a supplemental 15-day comment period, in accordance with the provisions of section 44, title 1, CCR, with the modifications clearly indicated;

WHEREAS, no comments were received during the supplemental comment period, and all comments have been considered by the Executive Officer; and

WHEREAS, Attachment 1 hereto contains the text of the amendments to section 2257, title 13, CCR, and the incorporated test procedures, and incorporates the modifications made available for the 15-day supplemental comment period.

NOW, THEREFORE, IT IS ORDERED that the recitals and findings contained in Resolution 98-46 are incorporated herein.

IT IS FURTHER ORDERED, in accordance with Resolution 98-46 and Health and Safety Code sections 39515 and 39516, that the amendments to section 2257, title 13, CCR, and ARB's "Test Method for Evaluating Intake Valve and Combustion Chamber Deposits in Vehicle Engines," are adopted as approved.

Executed this _____ day of March, 1999, at Sacramento, California.
